Universitätsklinikum Würzburg

The Interdisciplinary Center for Clinical Research (IZKF) of the University Hospital of Würzburg invites you to apply for a position as

Technical Assistant (f/m/g) 2/119
Interdisciplinary Center for Clinical Research (IZKF)

Teilzeit 50% , befristet , baldmöglichst

Technical Assistant (f/m/d) for a period of 3 years
starting as soon as possible

We are looking for

a technical assistant in 50% part-time for the IZKF grant with the topic "Characterization of neonatal intestinal immune response and barrier function in human small intestine organoids".
The grant is provided in cooperation with Dr. Sina Bartfeld from the Center for Infectious Diseases (ZINF) from the University of Würzburg and Prof. Dr. Nicolas Schlegel from the Clinic and Polyclinic of the University Hospital in Würzburg.

Requirements for the position are

- highly motivated individuals with experience in cell culture
- very good English skills
- completed training as a technical assistant or lab assistant

Please find below some links with information about the Bartfeld- and the Schlegel lab:

About Dr. Sina Bartfeld: http://www.imib-wuerzburg.de/research/bartfeld/research/
About Prof. Dr. Nicolas Schlegel: https://www.ukw.de/chirurgie-i/forschung/

The position is based on TV-L salary.
We welcome applications from suitably qualified people from all sections of the community regardless of race, gender or disability.

The University aims to increase the proportion of female employees, therefore applications from qualified women are particularly welcome. Preference will be given to people with disabilities in the case of otherwise equal aptitude.

Please send your

application including CV and contact information of references as a **single PDF file via email** to: sina.bartfeld@uni-wuerzburg.de **by July 15th, 2020.**

ZINF IMIB
Zentrum für Inektionsforschung
Josef-Schneider-Str. 2 / Bau D15
97080 Würzburg
