20 years of ZINF Symposium: The New Infection Biology

Josef-Schneider-Str. 2/Bau D15, 97080 Würzburg

28 June 2013
10.00 am - 5.30 pm

Guests are welcome!

Michael Gilmore, Harvard University
Passarel Cossart, Institut Pasteur

Infection Biology in the 21st Century

Ana Emilia, Bioscientist
Nicolas Siegel, ZINF
Cynthia M. Sharma, ZINF
Daniel Lopez, ZINF

Talks by Young Investigators
Harvard Medical School

John Mekalinos and Hosts

Bacterial Attacks on Their Siblings
Scientific Presentations

1.30 pm - 5.30 pm

Symposium

The Research Center for Infectious Diseases

20 Years of ZINF

Symposium

Michael Gilmore, Harvard University

The New Infection Biology

20 Years of ZINF

German with English Translation

20 years of ZINF
10.00 am

Josef-Schneider-Str. 2/Bau D15, 97080 Würzburg
Institute of Molecular Infection Biology (IMIB)

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119

5:45 pm end of symposium

Johannes Brahms: Konzertstücke Op. 119

5:30 pm closing remarks

Johannes Brahms: Konzertstücke Op. 119

Josef-Schneider-Str. 2/Bau D15, 97080 Würzburg

Institute of Molecular Infection Biology (IMIB)

20 Years of ZINF Symposium: The New Infection Biology

4:15 pm Infection Biology in the 21st Century

3:45 pm coffee break

1:30 pm presentations (English)

12 am lunch

John Mekalinos, Harvard Medical School

Bacterial Attacks on Their Siblings

Talks by Young Investigators

Daniel Lopez, ZINF
Cynthia M. Sharma, ZINF
Nicolas Siegel, ZINF
Ana Emilia, Bioscientist

3:45 pm Infection Biology in the 21st Century

10 am 20 years of ZINF

28 June 2013

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119

5:45 pm end of symposium

Johannes Brahms: Konzertstücke Op. 119

5:30 pm closing remarks

John Mekalinos, Harvard Medical School

Bacterial Attacks on Their Siblings

Talks by Young Investigators

Daniel Lopez, ZINF
Cynthia M. Sharma, ZINF
Nicolas Siegel, ZINF
Ana Emilia, Bioscientist

3:45 pm Infection Biology in the 21st Century

10 am 20 years of ZINF

28 June 2013

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119

5:45 pm end of symposium

Johannes Brahms: Konzertstücke Op. 119

5:30 pm closing remarks

John Mekalinos, Harvard Medical School

Bacterial Attacks on Their Siblings

Talks by Young Investigators

Daniel Lopez, ZINF
Cynthia M. Sharma, ZINF
Nicolas Siegel, ZINF
Ana Emilia, Bioscientist

3:45 pm Infection Biology in the 21st Century

10 am 20 years of ZINF

28 June 2013

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119

5:45 pm end of symposium

Johannes Brahms: Konzertstücke Op. 119

5:30 pm closing remarks

John Mekalinos, Harvard Medical School

Bacterial Attacks on Their Siblings

Talks by Young Investigators

Daniel Lopez, ZINF
Cynthia M. Sharma, ZINF
Nicolas Siegel, ZINF
Ana Emilia, Bioscientist

3:45 pm Infection Biology in the 21st Century

10 am 20 years of ZINF

28 June 2013

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119

5:45 pm end of symposium

Johannes Brahms: Konzertstücke Op. 119

5:30 pm closing remarks

John Mekalinos, Harvard Medical School

Bacterial Attacks on Their Siblings

Talks by Young Investigators

Daniel Lopez, ZINF
Cynthia M. Sharma, ZINF
Nicolas Siegel, ZINF
Ana Emilia, Bioscientist

3:45 pm Infection Biology in the 21st Century

10 am 20 years of ZINF

28 June 2013

Symposium: The New Infection Biology

20 Years of ZINF

Johannes Brahms: Klavierstücke Op. 119
